Acknowledgement

This practical procedure book has been developed to support the achievement of competences as stipulated in the curriculum.

The development of this practical procedure book for the Ordinary Diploma (NTA level 5) in Clinical Medicine is an outcome of collaborative efforts of the Ministry of Health (MoH), National Council for Technical and Vocational Education and Training (NACTVET) and tutors from various Health Training Institutions

I would like to appreciate in particular, the hard work of Dr. Fadhili M. Lyimo (Assistant Director for Allied Health Training), Mr. Innocent Chinguile and Dr. Joseph Mwabusila (coordinators for Human Resource Development - MoH) for their collaboration in thought and process to organize, coordinate and guide the development of this practicum guide.

The MoH is also grateful to Dr. Fabian P. Mghanga, Director of Tanzania Training Center for International Health, Dr. Robert Rweyemamu Principal Tabora CoHAS, Dr. Lucheri Kweka Principal Tanga CoHAS, Dr. Melkzedek Mansi Principal Kigoma COTC and Dr. Bonny Betson Principal MUCOHAS, Dr. Abdulrahman Mpili Principal Lindi CoHAS, Dr. Kashau Selapius tutor St. Gasper CoHAS, Dr. Henry S. Bukhay tutor Karatu HTI, Dr. Alex S. Mlimandago tutor Masasi CoHAS, Ms. Lucy P. Mathias tutor Mtwara CoHAS, Dr. Pemanecia Leganya from Kahama Municipal hospital, Dr Majaliwa John Lusendamila from Singida District hospital, Mr John Raymond Sanga from Ilunda dispensary (Mkalama-Singida) and Benjamin N. Mohamed from City CoHAS for their commendable work towards development of these assessment plans.

I also wish to acknowledge the contributions of Mr. Twaha Twaha from NACTVET for his commitment and technical support during the development of this practical procedure book

Dr. Loishooki Saitore Laizer

Director of Human Resources Development

List of Abbreviations

APGAR	Appearance, Pulse, Grimace, Activity, and Respiration
ART	Ant-Retroviral Therapy
CMT	Clinical Medicine Training
CoHAS	College of Health and Allied Sciences
DPT	Diphtheria, Pertussis, Tetanus
FANC	Focused Antenatal Care
Hb	Hepatitis B
HiB	Hemophilus influenzae type B
HIV	Human Immunodeficiency Virus
IV	Intra-venous
MoH	Ministry of Health
NACTVET	National Council of Technical and Vocational Education Training
NTA	National Technical Awards
PITC	Provider Initiated Testing and Counseling
PMTCT	Prevention of Mother To Child Transmission
PPB	Practical Procedure Book
PWIDs	People who inject drugs
PWUDs	People who use drugs
RCH	Reproductive and Child Health
TD	Tetanus, Diphtheria

Introduction

Following the review of NTA level 5 curriculum in 2022, there has been a need to review the Practical Procedure Book to accommodate the changes in practical competences.

This practical procedure book aims at reinforcing learning in practical skills to students and shall be used as a monitoring tool.

HOW TO USE THE PRACTICAL PROCEDURE BOOK

- Each student shall have his/her own practical procedure book at the beginning of each academic year.
- Procedures listed under each module in this book should be performed by the student in the presence of the clinical instructors/tutors.
- The principal/academic officer will be responsible in selecting clinical instructors.
- When a student has attained competence of a particular skill, a clinical instructor/tutor shall assess and grade his/her level of performance and sign the procedure book.
- The signature should include both names' initials and signatures in the space provided against each procedure.
- Academic officer should be familiar with the signatures of all clinical instructors/tutors. (Prepare a sample signatures form).
- The academic officer should assess procedure books of every student monthly to monitor student's progress.
- The practical procedure books should be completed before starting semester examinations and be submitted to academic officer for assessment before submission to the principal for approval.
- A student shall be allowed to seat for the semester exam after successfully performed at least 75% of all the procedures stipulated in each module.
- Mark √ in the column provided.

NOTE:

1. The student shall be scored after demonstrating competences at the satisfactory level and above.
2. Student bring this PPB in the semester clinical examination for verification and assessment of procedures done

KEY

- | | |
|---|---|
| 1 | Procedure performed successfully |
| 0 | Procedure not performed/under performed |

NB: The practicum guide checklists shall be used to score student performance during practical/clinical attachment.

CMT05102: INTERNAL MEDICINE I

DATE	PROCEDURE	SCORE		NAME INITIALS AND SIGNATURE
		0	1	
	Clerk and present patients with different medical diseases/conditions - write patient's file number and diagnosis (5)			
	Perform suction of airway -write patient's file number and indication (1)			
	Perform IV cannulation - write patient's file number and diagnosis (5)			

DATE	PROCEDURE	SCORE		NAME INITIALS AND SIGNATURE
