ACKNOWLEDGEMENT

This practical procedure book has been developed to support the achievement of competences as stipulated in the curriculum.

The development of this practical procedure book for the Ordinary Diploma (NTA level 6) in Clinical Medicine is an outcome of collaborative efforts of the Ministry of Health (MoH), National Council for Technical and Vocational Education and Training (NACTVET) and tutors from various Health Training Institutions

I would like to appreciate in particular, the hard work of Dr. Fadhili M. Lyimo (Assistant Director for Allied Health Training), Mr. Innocent Chinguile and Dr. Joseph Mwabusila (coordinators for Human Resource Development - MoH) for their collaboration in thought and process to organize, coordinate and guide the development of this practicum guide.

The MoH is also grateful to Dr. Fabian P. Mghanga, Director of Tanzania Training Center for International Health, Dr. Robert Rweyemamu Principal Tabora CoHAS, Dr. Lucheri Kweka Principal Tanga CoHAS, Dr. Melkzedek Mansi Principal Kigoma COTC and Dr. Bonny Betson Principal MUCOHAS, Dr. Abdulrahman Mpili Principal Lindi CoHAS, Dr. Kashau Selapius tutor St. Gasper CoHAS, Dr. Henry S. Bukhay tutor Karatu HTI, Dr. Alex S. Mlimandago tutor Masasi CoHAS and Ms. Lucy P. Mathias tutor Mtwara CoHAS, Dr. Pemanecia Lenganya from Kahama Municipal hospital, Dr Majaliwa John Lusendamila from Singida District hospital, Mr John Raymond Sanga from Ilunda dispensary (Mkalama-Singida) and Dr Benjamin N. Mohamed tutor from City CoHAS for their commendable work towards development of these assessment plans.

I also wish to acknowledge the contributions of Mr. Twaha Twaha from NACTVET for his commitment and technical support during the development of this practical procedure book

Dr. Loishooki Saitore Laizer

Director of Human Resources Development

LIST OF ABBREVIATIONS

CMT	Clinical Medicine Training
CoHAS	College of Health and Allied Sciences
COTC	Clinical Officers Training College
ENT	Ear, Nose and Throat
HIV	Human Immunodeficiency Virus
HTI	Health Training Institute
IV	Intra –Venous
MoH	Ministry of Health
NACTVET	National Council of Technical and Vocational Education Training
NTA	National Technical Awards
PPB	Practical Procedure Book
RBG	Random Blood Glucose
RESOMAL	Rehydration Solution for Malnutrition

INTRODUCTION

Following the review of NTA level 6 curriculum in 2022, there has been a need to review the Practical Procedure Book to accommodate the changes in practical competences.

This practical procedure book aims at reinforcing learning in practical skills to students and shall be used as a monitoring tool.

HOW TO USE THE PRACTICAL PROCEDURE BOOK

- Each student shall have his/her own practical procedure book at the beginning of each academic year.
- Procedures listed under each module in this book should be performed by the student in the presence of the clinical instructors/tutors.
- The principal/academic officer will be responsible in selecting clinical instructors.
- When a student has attained competence of a particular skill, a clinical instructor/tutor shall assess and grade his/her level of performance and sign the procedure book.
- The signature should include both names initials and signatures in the space provided against each procedure.
- Academic officer should be familiar with the signatures of all clinical instructors/tutors. (Prepare sample signatures form).
- The academic officer should assess procedure books of every student monthly to monitor student's progress.
- The practical procedure books should be completed before starting semester examinations and be submitted to academic officer for assessment before submission to the principal for approval.
- A student shall be allowed to seat for the semester exam after successfully performed at least 75% of all the procedures stipulated in each module.
- Mark ✓ in the column provided.

NOTE:

1. The student shall be scored after demonstrating competences at the satisfactory level and above.
2. Student should bring this PPB in the semester clinical examination for verification and assessment of procedures done

KEY

1	Procedure performed successfully
0	Procedure not performed/ underperformed

NB: The practicum guide checklists shall be used to score student performance during practical/clinical attachment.

CMT06105: SURGICAL SPECIALTIES

DATE	PROCEDURE	SCORE		NAME INITIALS AND SIGNATURE
		0	1	
	Clerk and present patients with different oral conditions- write file number and diagnosis (3)			
	Clerk and present patients with different ENT conditions- write file number and diagnosis (2)			
	Clerk and present patients with different eye conditions- write file number and diagnosis (2)			
	Perform instillation of eye drops - Write file number and medication (2)			
	Perform eye visual acuity - write patient file number and indication (5)			

DATE	PROCEDURE	SCORE		NAME INITIALS AND SIGNATURE
		0	1	
	Conduct oral health education- write place and supervisor's name (2)			
	Administer ear drops, nasal drops –write patient file number and diagnosis (1)
